Linoleum and Congoleum For a Hundred Uses

Linoleum is the best-it is based upon burlap, and the body is made of ground cork and linseed oil. Congoteum is built upon a felt base, and in patterns and colorings rivals its more aristocratic friend. Each has its advantages, and we can recommend both—we can also recommend the prices we have marked each as being the lowest you will meet with anywhere.

Armstrong's Linoleum

THE FINEST WHICH CAN BE PROCURED

It is made in America, of the finest materials obtainable, and properly laid and cared for will give you years of honest service. The Armstrong designs and colors are remarkably artistic and varied.

POETRY

BREAK OF MOBNING. Sound the invisible trumps. In circuit The passive earth like scene of dream is The small birds flit and sing. their dark And their green sojournings with deep drops wet.

With giant boughs outspread, the cake on high sumbrous quiet in the air. Sole in remote insue of vacant sky Paling Arcturus sparkies wildly fair.

Sound the invisible trumps. The waters A stealing wind breather in the means, in gone. Into their carthen burrows the wid things creep; Cockerow to thinning cockerow echoes on.

Avert thine eyes, sleep-ridden face! Non-Those scraph basis that in divine array tilrdle the mortal masked emprean: Their sovran beauty is this break of day. Theirs is the music men call Silenes here:
What wonder grief distorts the hurning eyes?
Turn to the pillow again—in feve and fear: Not thine to see the Son of Morning rise.
-- Walter de la Mare, in Yale Review
